

Until Morning
Dashboard Confessional

Dashboard Confessional - Until Morning

Capo 2

Intro: **C - C/E - F - C**

C

It was the year

G/B

I crashed my motor bike

F

I think it was the summer

I think you whispered

When you gonna wake up?

When you gonna wake up?

C

G/B

Dear Slip these on your tongue

F

Let us see it s a reinvention

In angels hands the

medicine a modern man

Refrain:

Am

Wait now

G

Tell me that

this isn t over

F

Hang on

Just long enough

Chorus 1:

C

If this is heaven

C/E

Or if it s just a warning

F

Say you will stay with me

C

Even if it s just until morning

C

If this is over

C/E

Then why is it so hard?

F

Just say you will stay with me

C

One more night

C

Stay here

G/B

And we can start again

F

And we can be made over

You ll hear us shouting

When you gonna wake up?

When you gonna wake up?

C

G/B

Scared Well everyone gets scared

F

Just signal when your ready

And angels hands

seem so steady Seem so steady

(Repeat Refrain)

(Repeat Chorus1)

Bridge:

F

If your running

C

From your secrets

F

I will make you

C

C/E

take them with you

F

I am ready

C

I can take it

Am

You don t have to

G

F

carry them alone

There s a way out

C

If you want it

F

To an end or a

C

C/E

new beginning

Am

You just have to

G **F**

find it on your own

Chorus 2:

C

If this is heaven

C/E

Or if it s just a warning

F **C**

Say you will stay with me

Chorus 3:

C

If this is heaven

C/E

Or if it s just a warning

F

Say you will stay with me

C

one more night

C/E

One more night

F

One more night

C

(even if its
just until morning)

C

one more night

C/E

One more night

F

One more night

C

(even if its

F

just until morning)

C/E(hold)

(even if its

just until morning)
