

Crashed
Daughtry

this song is unfortunatley just the intro, but it has all the lyrics and the intro is spot on!

Em - - - - **Em G D - D Em** x2 (- = 1 sec gap)

Well I was moving at the speed of sound.
Head-spinning, couldn t find my way around, and
Didn t know that I was going down.
Yeah, yeah.
Where I ve been, well it s all a blur.
What I was looking for, I m not sure.
Too late and didn t see it coming.
Yeah, yeah.

And then I crashed into you,
And I went up in flames.
Could ve been the death of me,
But then you breathed your breath in me.
And I crashed into you,
Like a runaway train.
You will consume me,
But I can t walk away.

Somehow, I couldn t stop myself.
I just wanted to know how it felt.
Too strong, I couldn t hold on.
Yeah, yeah.
Now I m just tryin to make some sense
Out of how and why this happened.
Where we re heading, there s just no knowing.
Yeah, yeah.

And then I crashed into you,
And I went up in flames.
Could ve been the death of me,
But then you breathed your breath in me.
And I crashed into you,
Like a runaway train.
You will consume me,
But I can t walk away.

From your face, your eyes
They re burned into me.
You saved me, you gave me
Just what I need.

Oh, just what I need.

And then I crashed into you,
And I went up in flames.
Could ve been the death of me,
But then you breathed your breath in me.
And I crashed into you,
Like a runaway train.
You will consume me,
But I can t walk away.

And then I crashed into you,
And then I crashed into you,
And then I crashed into you,
And then I crashed into you,
Then I crashed into you,
Like a runaway train.
You will consume me,
But I can t walk away.

this is my interpritation of the songs lyrics so i hope its right
