

Everything But Me
Daughtry

Hey guys, I noticed that there were no tabs for this song yet, so I set my nose right to the grindstone, Enjoy!

Intro: **Am G C F** x2

Am G C F
Far away in another place

Am G C F
I d give my soul just to see your face

Am G C F
Found a note hidden in my suitcase
(**F**)

Of everything that you just couldn t say
G Am F
How d you know I needed that today?

C F
Wherever you are is where I want to be
G

Look around and tell me what you see
Am F

Everything, everything but me
C F
No matter how many miles stand in between
(**F**)

In my heart is where you ll be
G Am F

Holdin on to all our dreams
Am G F
With everything, everything but me

Am G C F

Am G C F
Lookin through photographs today
Am G C F
Different times always seem the same
Am G C F
Then I saw a picture of your smile
(**F**)

Something I haven t seen in a while
G Am F
You know the one, the one you loved to hate

G **Am** **F**
 But every time it takes my breath away

C **F**
 Wherever you are is where I want to be

G
 Look around and tell me what you see

Am **F**
 Everything, everything but me

C **F**
 No matter how many miles stand in between

(F)
 In my heart is where you ll be

G **Am** **F**
 Holdin on to all our dreams

Am **G** **F**
 With everything, everything but me

G **Am**
 Do you know how much it hurts to go

C **G**
 And leave it all behind, leave it all behind

F
 I see you in my mind

(F)
 Cause you were right there all the time

C **F**
 Far away in another place

Am **G** **F**
 Give my soul just to see your face

C **F**
 Wherever you are is where I want to be

G
 Look around and tell me what you see

Am **F**
 Everything, everything but me

C **Dm**
 No matter how many miles stand in between

(Dm)
 In my heart is where you ll be

Am **G** **F**
 Holdin on to all our dreams, yeah

C **F**
 No matter how many miles stand in between

(F)
 In my heart is where you ll be

G **Am** **F**
 Holdin on to all our dreams

Am **G** **F**
 With everything, everything but me

Am **G** **F**
 With everything, everything but me

Outro: **Am G C F** x3
Am G C F (fades out)
