[Verse]

**C** **Fadd9**  
I m staring out into the night,  
**C** **Fadd9**  
Trying to hide the pain.  
**C** **Fadd9**  
I m going to the place where love  
**Am** **G** **Fadd9**  
And feeling good don t ever cost a thing.  
**Am** **G** **Fadd9**  
And the pain you feel s a different kind of pain.

[Chorus]

**C** **G**  
Well I m going home,  
**Fadd9** **G**  
Back to the place where I belong,  
**Am** **G** **Fadd9**  
And where your love has always been enough for me.  
**C** **G**  
I m not running from.  
**Fadd9** **G**  
No, I think you got me all wrong.  
**Am** **G** **Fadd9**  
I don t regret this life I chose for me.  
**Am** **G** **Fadd9**  
But these places and these faces are getting old,  
**C** **G** **Fadd9**  
So I m going home.  
**C** **Fadd9**  
Well I m going home.

[Verse]

**C** **Fadd9** **C**  
The miles are getting longer, it seems,  
**Fadd9**  
The closer I get to you.  
**C** **Fadd9**  
I ve not always been the best man or friend for you.  
**Am**  
But your love, it makes true.  
**G** **Fadd9**  
And I don t know why.  
**Am** **G** **Fadd9**  
You always seem to give me another try.

[Chorus]

**C** **G**  
Well I m going home,  
**Fadd9** **G**  
Back to the place where I belong,  
**Am** **G** **Fadd9** **G**  
And where your love has always been enough for me.

**C** **G**  
I m not running from.  
**Fadd9** **G**  
No, I think you got me all wrong.

**C** **G**  
Well I m going home,  
**Fadd9** **G**  
Back to the place where I belong,  
**Am** **G** **Fadd9**  
And where your love has always been enough for me.

**C** **G**  
I m not running from.  
**Fadd9** **G**  
No, I think you got me all wrong.

**Am** **G** **Fadd9**  
But these places and these faces are getting old,

[Bridge]

**G** **Fadd9**  
Be careful what you wish for,  
**Am**  
Cause you just might get it all.  
**Fadd9**  
You just might get it all,  
**G**  
And then some you don t want.  
**Fadd9**  
Be careful what you wish for,  
**Am**  
Cause you just might get it all.  
**Fadd9**  
You just might get it all, yeah.

[Instrumental]

**Am G Fadd9**
