I'll Fight
Daughtry
Verse I:
                 Dm F C
I wanna see you run
C Dm A#
Anywhere you want
             Dm F C
Never let the darkness hold you back
  C Dm A#
No fear of getting lost
              Dm F C
I wanna see you fly
C Dm A#
Way beyond the sun
             Dm F C
Anything you re ever gonna dream
 C Dm A#
I pray that it will come
Chorus I:
             A#
But if you ever fall down straight to the bottom
And you can t get back where you started
           F
   A#
Any place, any time
             C
         Dm
You gotta know for you
I ll fight
A# F Dm C
(Ooh ooh, ooh ooh)
Verse II:
              Dm F C
Where you wanna go
               Dm A#
I d love to take you there
                Dm F C
Wish that I could make the road easy
     Dm A#
I wish that life was fair
                 Dm F C
```

Don t wanna see you cry

C Dm A#

Even when it rains

```
Dm F C
And I hope you don t forget this
     Dm A#
You were born for better things
Chorus II:
             A# F
But if you ever fall down straight to the bottom
And you can t get back where you started
         F
With no strength to stand
            C
Gonna reach for your hand
           A#
When the going gets rough right when it s hurting
I will be there to help
Bear the burden
     A#
Any place, any time
         Dm C
You gotta know for you I ll fight
A#
         Dm
(Ooh ooh, ooh ooh)
     A# F
Any place, any time
         Dm
You gotta know for you
С
I ll fight
( A# F Dm C )
Bridge:
Dm
         C
Anywhere you go
               Gm
Your gonna find me
No matter what you need
                F
                      Dm
          A#
If you ever fall down and you can t get back
              F
                        Dm C
If you lose your strength to stand
Chrous II:
              A#
But if you ever fall down straight to the bottom
                   C
And you can t get back where you started
