

**Louder Than Ever**  
**Daughtry**

Louder than ever by Daughtry

**D#5** |x68xxx|  
**A#** |688766|  
**G#** |466544|  
**F** |133211|  
**B** |799877|  
**F#** |244322|

|:| ... |:|x2 = Repeat that part two times

[Verse 1]

**D#5**  
Heard that song on the radio,  
**A#**  
And it got my gears turnin  
**G#**  
Like a real life time machine.  
**D#5**  
You were there in the front seat,  
**A#**  
Windows down we were burning,  
**G#** **F**  
It was just like a movie scene,

[Prechorus]

Those dashboard lights,  
**G#**  
And your pale blue eyes cutting through me.

[Chorus]

**D#5**  
Two hearts on the getaway,  
**A#**  
Feels just like yesterday,  
**F**  
Young love on the freeway,  
**G#**  
Singing louder than ever.  
**D#5**  
Those nights we used to sing along,  
**A#**  
We were living a love song,  
**F**  
Those days might be gone,  
**G#**

But I hear it louder than ever.

[Verse 2]

**D#5**

We spent that whole summer long,

**A#**

You and me and the moonlight,

**G#**

Chasing dreams in a fast machine,

**D#5**

No way it could go wrong,

**A#**

When it all felt so right,

**G#**

**F**

Feeling like California queen,

**G#**

I cannot get all of the ways that you loved me.

&#8195;

[Chorus]

**D#5**

Two hearts on the getaway,

**A#**

Feels just like yesterday,

**F**

Young love on the freeway,

**G#**

Singing louder than ever.

**D#5**

Those nights we used to sing along,

**A#**

We were living a love song,

**F**

Those days might be gone,

**G#**

But I hear it louder than ever.

[Bridge]

**B**

I can t help but turn it up,

**F#**

No it can t get loud enough,

**B**

Yeah, I just wanna hear it,

**A#**

Over and over,

**A#**

Over and over,

[Chorus]

**D#5**

Heard that song on the radio,

**A#**

And it got my gears turnin

**G#** **F**

Like a real life time machine.

**D#5**

But I hear it louder than ever. |:| x2

I ve found a cover, you can learn how to play the electric guitar part. ;D

You don t need different tabs. You just play it different:

<http://www.youtube.com/watch?hl=de&v=3Rm-jGDIt98>
