**Fm** **A#**  
A single rose left to remember  
**Fm** **A#**  
As a single tear falls from her eye  
**Fm** **A#**  
Another cold day in December  
**D#** **Cm**  
A view from the day she said goodbye

**Fm** **A#**  
It seems it s only been a moment  
**Fm** **A#**  
Since the angels took him from her arms  
**Fm**  
She was left there  
**A#**  
Holding on to their tomorrow  
**G#5** **A#5**  
But as they lay him in the ground  
**G#5** **A#5**  
Her heart would sing without a sound
