

Over You (versão II)

Daughtry

(versão em power)

Eb5

Now that it s all said and done,

Bb5 **C5**

I can t believe you were the one

Bb5 **G#5**

To build me up and tear me down,

G#5

Like an old abandoned house.

Eb5

What you said when you left

Bb5

Just left me cold and out of breath.

C5 **Bb5** **F5**

I fell too far, was in way too deep.

F5 **G#5** **Bb5**

Guess I let you get the best of me.

Eb5

Well, I never saw it coming.

Eb5

I should ve started running

Bb5

A long, long time ago.

C5

And I never thought I d doubt you,

Bb5

I m better off without you

G#5

More than you, more than you know.

Eb5

I m slowly getting closure.

Eb5

I guess it s really over.

Bb5

I m finally getting better.

C5

And now I m picking up the pieces.

Bb5

I m spending all of these years

G#5

Putting my heart back together.

F5 **G#5**

Cause the day I thought I d never get through,

Bb5

I got over you.

Bridge: Eb5 Eb5 B5 C#5

Eb5 **Bb5**
You took a hammer to these walls,
C5
Dragged the memories down the hall,
Bb5 **G#5**
Packed your bags and walked away.
G#5
There was nothing I could say.
Eb5 **Bb5**
And when you slammed the front door shut,
C5
A lot of others opened up,
Bb5 **F5**
So did my eyes so I could see
F5 **G#5** **Bb5**
That you never were the best for me.

Eb5
Well, I never saw it coming.
Eb5
I should ve started running
Bb5
A long, long time ago.
C5
And I never thought I d doubt you,
Bb5
I m better off without you
G#5
More than you, more than you know.
Eb5
I m slowly getting closure.
Eb5
I guess it s really over.
Bb5
I m finally getting better.
C5
And now I m picking up the pieces.
Bb5
I m spending all of these years
G#5
Putting my heart back together.
F5 **G#5**
Cause the day I thought I d never get through,
Bb5
I got over you.
