

**Spaceship
Daughtry**

Verse 1:

D **Bm**
Hood of my car,
G **Bm** **A** **D**
Radio s just loud enough so I can hear Levon
A **G**
Where you are is anybody s guess but mine
A **G**
Just a song that we grew up on;
A **G**
Constellations seem so out of line,
Gm
Wishing we could make it this time;

Chorus:

D
If somebody s out there,
A
Show me that you care,
Bm **G**
Give me a sign that comes out of nowhere,
D
Like a shooting star,
F#m
Or maybe life on Mars,
Bm **G**
Something inside tells me we can t be so far,
Em **A**
Cause I can see me on a spaceship leaving
Em **A**
Here only to find that we re not the only ones,

We re not the only ones;
