

Used To
Daughtry

Daughtry I believe plays a key lower; but this is easy to play this way.

the chords are **G C D**

Versel:

G

You used to talk to me like

D

I was the only one around.

C

You used to lean on me like

D

The only other choice was falling down.

G

You used to walk with me like

C

We had nowhere we needed to go,

D

C

D

Nice and slow, to no place in particular.

Chorus:

G

We used to have this figured out;

D

We used to breathe without a doubt.

C

D

When nights were clear, you were the first star that I d see.

G

We used to have this under control.

D

We never thought.

We used to know.

C

D

At least there s you, and at least there s me.

C

D

Can we get this back; can we get this back to how it used to be
