

Am G F
She's out on the corner trying to catch a glimpse
(still F)
Nothing's making sense
Am G
She's been chasing an answer
F
A sign lost in the abyss, this Metropolis
Am G
She says... Yeah, he's still coming, just a little bit late
F
He got stuck at the Five and Dime saving the day
Am G F
She says... If life was a movie, then it wouldn't end like this

Left without a kiss

Still, she smiles, the way she smiles, yeah

[Chorus]

She s talking to angels, she s counting the stars

Making a wish on a passing car

She s dancing with strangers, she s falling apart

Waiting for Superman to pick her up

In his arms,

In his arms

She s waiting for Superman

[Verse]

To lift her up and take her anywhere

Show her love and climbing through the air

Save her now before it s too late tonight

Oh, like a speeding light

And she smiles

[Chorus]

(pause) She s talking to angels, she s counting the stars

Making a wish on a passing car

She s dancing with strangers, she s falling apart

Waiting for Superman to pick her up

In his arms,

In his arms

She s waiting for Superman

[Verse]

To lift her up and take her anywhere

Show her love and climbing through the air

Am

F

G

Save her now before it s too late tonight

Am

She's waiting for Superman
