

As the King of California

C **C/G**
I went up from Sacramento town
C **Gadd4/B** **Am7**
To the Sierra gold fields
C **C/G**
And I worked my stake on a riverbank
C **Gadd4/B** **Am7**
Dreaming just how a rich man feels

Em **Fadd9**
But my darling dear, listen here
C **Gadd4/B** **Am7**
But I think that it s fair to warn you
Fadd9 **C** **Gadd4/B** **Am7**
That I return to claim your hand
Em **Fadd9** **C**
As the King of California

C **C/G**
Now, the dead man s lying at my feet
C **Gadd4/B** **Am7**
Who tried to steal my earnings
C **C/G**
Yet, I still recall your tender kiss
C **Gadd4/B** **Am7**
Though this bullet in my chest is burning

Em **Fadd9**
But my darling dear, please have no fear
C **Gadd4/B** **Am7**
But I think that it s fair to warn you
Fadd9 **C** **Gadd4/B** **Am7**
That I return to claim your hand
Em **Fadd9** **C**
As the King of California

Fadd9 **C** **Gadd4/B** **Am7**
But I ll I return to claim your hand
Em **Fadd9** **C**
As the King of California
