A **F#m**
So no worries, Mija
D **A**

(Same set of chords are used throughout the whole song)

No worries, Mija
Cause I ve done this job before
That s probably for the best
I don t tell you anymore
And it won t be too long now
I ll be standing back at your door
So no worries, Mija
Cause I ve done this job before

No worries, Mija
Little one, don t cry
Yeah, there may be some trouble
Honey, I won t lie
But I would do anything
To keep you by my side
So no worries, Mija
Little one, don t cry

No worries, Mija
Everything will be fine
I m gonna make us some money
Now let me kiss you good bye
And if anything should happen
Please remember you ll always be mine
So no worries, Mija (x3)
You will always be mine
