

Until you
Dave Barnes

D **Bm**
Let s just take our time
G
There s nothing else to do
Em
What better way to spend the night
A **D**
Than wasting it with you
D **Bm**
The moon has won the war
G
The daylight waits to end
Em
Stay here by my side
A **Bm A-G**
We ll watch the struggle start again

Refrão

D **A** **Bm**
I need you now and forever
G **D**
So stay right here with me
A **G**
Don t ever leave
D **A** **Bm**
Love was kept from me like a secret
G **D**
And I swore that I was through
A **G** **D**
Until you, until you

D **Bm**
The city settles down
G
I watch you as you sleep
Em
There s a silent celebration for
A **D**
Every breath you breathe
D **Bm**
Now this all makes sense
G
With you as company
Em
I left all I knew and found
A **Bm A-G**

A better part of me, yeah

Refrão:

D A Bm
I need you now and forever
G D
So stay right here with me
A G
Don't ever leave
D A Bm
Love was kept from me like a secret
G D
And I swore that I was through
A G
Until you, until you

A D G
The time it took to find you
A D G
I would wait again, my baby
A D G A
For the feelings that I feel with you now

Refrão:

D A Bm
I need you now and forever
G D
So stay right here with me
A G
Don't ever leave
D A Bm
Love was kept from me like a secret
