

What Does It Take

Dave Days

I realize there is a picking pattern played throughout the song mixed with piano, so I just approximated the verses with chords. Everything else should be accurate though.

WHAT DOES IT TAKE

Dave Days

[verse 1]

D

I woke up (woke up) in the middle of the night
Out of luck (out of luck) with this girl on my mind

G

She got away, now I m trying to explain how

D

I fell in love (I fell in love), that s what I like to call it
But not enough (but not enough), it s like I never saw it

G

Drifting away, I am finding words to say . . .

D G

But it all goes whoa, whoa!

D A

Whoa, whoa!

[chorus]

Bm G D A

What does it take to get you if I never met you?

Bm G D A

I wouldn t have ran across the country like I m out of my mind

Bm G D A

What does it take to hold you when I m here without you?

Bm G D A

I don t know where to start, I gotta find you and your heart...

D

(before it falls apart)

[verse 2]

D

I stayed up (stayed up) in the dead of the night
I made plans (made plans) if they turn out right

G

You ll close your eyes and think about the times when (think about it)

D

We fell in love (we fell in love) but didn t try to say it
Knew what it was (knew what it was) the moment that we played it

G
