Being the way that you are is enough,

Everyone else in the room can see it,
C F Am G
Everyone else but you,

C F G
Baby you light up my world like nobody else,
C F G
The way that you flip your hair gets me overwhelmed,
C F Am G
But when you smile at the ground it ain t hard to tell,
C F Am G
You don t know, oh oh, you don t know you re beautiful,
C F G
If only you saw what I can see,
C F G
You ll understand why I want you so desperately,
C F Am G

Right now I m looking at you and I can t believe,
C F Am G
You don t know, oh oh, you don t know you re beautiful,
C F Am G
Oh oh, that s what makes you beautiful

C F G

C
So come on,
F G
You got it wrong,
C
To prove I m right,
F G
I put it in a song,
C
I don t know why,
F G
You re being shy,
C F G F
And turn away when I look into your eyes,

C F Am G
Everyone else in the room can see it,
C F Am G
Everyone else but you,

C F G
Baby you light up my world like nobody else,
C F G
The way that you flip your hair gets me overwhelmed,
C F Am G
But when you smile at the ground it ain t hard to tell,
C F Am G
You don t know, oh oh, you don t know you re beautiful,
