Play this continually during the verse

C#   F#   G#   F#

         C#
You re insecure,
F#   G#   F#
Don t know what for,
              C#   F#   G#   F#
You re turning heads when you walk through the door,
           C#
Don t need make-up,
F#   G#   F#
To cover up,
         C#   F#   G#   F#
Being the way that you are is enough,

C#   F#   Bbm   G#
Everyone else in the room can see it,
C#   F#   Bbm G#
Everyone else but you,

      C#   F#   G#
Baby you light up my world like nobody else,
          C#   F#   G#
The way that you flip your hair gets me overwhelmed,
         C#   F#   Bbm   G#
But when you smile at the ground it ain t hard to tell,
        C#   F#   Bbm   G#
You don t know, oh oh, you don t know you re beautiful,
C#   F#   G#
If only you saw what I can see,
        C#   F#   G#
You ll understand why I want you so desperately,
              C#   F#   Bbm   G#

Right now I m looking at you and I can t believe,
```
        C#        F#    Bbm                      G#
```
You don t know, oh oh, you don t know you re beautiful,
```
C#  F#   Bbm                      G#
```
Oh oh, that s what makes you beautiful

```
C#   F#   G#
```

```
        C#
```
So come on,
```
F#           G#
```
You got it wrong,
```
            C#
```
To prove I m right,
```
F#               G#
```
I put it in a song,
```
            C#
```
I don t know why,
```
F#              G#
```
You re being shy,
```
        C#                F#                  G# F#
```
And turn away when I look into your eyes,

```
C#        F#          Bbm       G#
```
Everyone else in the room can see it,
```
C#        F#          Bbm  G#
```
Everyone else but you,

```
        C#                F#              G#
```
Baby you light up my world like nobody else,
```
            C#                F#           G#
```
The way that you flip your hair gets me overwhelmed,
```
            C#                F#          Bbm    G#
```
But when you smile at the ground it ain t hard to tell,
```
        C#        F#    Bbm                      G#
```
You don t know, oh oh, you don t know you re beautiful,
```
C#        F#           G#
```
If only you saw what I can see,
```
        C#                F#           G#
```
You ll understand why I want you so desperately,
```
            C#          F#       Bbm   G#
```
Right now I m looking at you and I can t believe,

        C#        F#  Bbm                      G#
