Well I pulled out of Pittsburgh rolling down that Eastern seaboard

I got my diesel wound up & she s a running like never before

There s a speed zone ahead but alright

I don t see a cop in sight

Six days on the road & I m gonna make it home tonight

I got me ten forward gears & a Georgia Overdrive

I m takin little white pills & my eyes are opened wide

I just passed a Jimmy & a White

I been passing everything in sight

Six days on the road & I m gonna make it home tonight

Well it seems like a month since I kissed my baby goodbye

I could have a lotta women but I m not alike some other guys

I could find me one to hold me tight

But I could never make believe it s alright

Six days on the road & I m gonna make it home tonight

I.C.C. is a checkin on down the line

Well I m a little overweight and my log book s way behind

But nothing bothers me tonight

I could dodge all the scales alright
