

**Endless Acoustic**  
**Dave Gahan**

INTRO:

**E C D C**

VERSE 1:

**C** **Em**  
In the cold of the full moon on this night  
**D** **C**  
Time itself has slipped away, now you are mine  
**C** **Em**  
Slowly hours pass all through the night  
**D** **C**  
Together we can disappear for a while

CHORUS:

**Em** **C** **D C**  
I am still  
**Em** **C** **D C**  
I am still

VERSE 2 (plays the same way as the 1st one):

Watching the hourglass on that night  
We touched the stars and reached the moon for a time  
I m lost in a moment with you, it feels right  
We re floating above the stars, you and I

CHORUS:

**Em** **C** **D C**  
I am still  
**Em** **C**  
I am still  
**D** **C**  
Forever and ever and ever  
**Em** **C**  
Endless, endless  
**D** **C**  
I am still  
**Em** **C**  
Endless, endless  
**D** **C**  
Your body is endless

INSTRUMENTAL (plays the same way as the intro)

OUTRO (plays on the same chords as the CHORUS)

I am still  $\tilde{A}-4$

END (the same as the intro)
