tuning: standard, no capo

chords used: **D**, **G**, **A**, **Em**

Verse:

D
Get dolled up for the reunion
G **A**
You ll be one of the girls that has aged like wine
D
You ll fret and fuss to get ready
G **A**
But you need to know that the years have been kind

D
The nagging voice in the darkness
G **A**
It s like your so-called friend that has stayed too long
D
Don t let it whisper too loudly
G **A**
It threatens your nerve, it s smothers your song

Chorus:

D **A** **Em** **G**
Don t let your heavy heart drag you down
G
Drag you down

Verse:

D
The deafening din of the static
G **A**
It s like all that they built has been falling apart
D
It creeps in like an informant
G **A**

It gnaws at your time and weighs on your heart

D
The loneliness in the kitchen
G **A**
I know her ghosts come round cause they haunt me too

D
Don't second-guess your potential
G **A**
Cause there's a heart of gold that she left there in you

Chorus:

D **A** **Em** **G**
Don't let your heavy heart drag you down
G x2
Drag you down

Bridge:

G **Em** **G** **A**
I know these last few years have made you feel so tired
G **Em** **G** **A**
When disenchantment swells it gets so hard to hide

Chorus:

D **A** **Em** **G**
Don't let your heavy heart drag you down
G
Drag you down
