intro: **A, C# D, A**

F# **C#**
On a sunset I-10 mile lies a body beneath a sheet
D **E**
The orange sky donâ€™t seem to mind but Iâ€™m on the edge of my seat
F# **C#**
Thereâ€™s ten thousand auto lights dead stopped in dirty Tucson heat
D **A E F#**
We crane our necks to get a glimpse, and ride on by while I nurse defeat
Nurse defeat

F# **C#**
Itâ€™s that same old sinking feeling, that blows on in from time to time
D **E**
The only consolation comes tying despair to a rhyme
F# **C#**
And knowing some are at home working, raising kids and saying prayers
D **A E**
Unaware of modern science, they may be wrong but I donâ€™t care

A **E**
They pray for Tucson, they pray for me
F# **D**
They pray these roads lead home and wonâ€™t take us too far
Take us too far
F# E F#

F# **C#**
Well we get these years to play with and Iâ€™ve been game to roll the dice
D **A E**

But lately staring in the mirror has been showing me the price

F# **C#**
Of all the reckless toxic gambling; having my fate hang from a string
D **A E**

The lonesome nights with pills and powders, the fuel I pretend helps me sing

A **E**
So pray for Tucson, pray for me

F# **D**
Pray these roads lead home and wonâ€™t take us too far

A **E**
Pray for Tucson, pray for me

F# **E**
I hope your faith is what will carry me

D
If there s something past those stars

A **B** **C#** **D**
Cause the spell breaks every time I see those funeral cars

A **B** **C#** **D**
Or when they throw the floodlights on and Iâ€™m left stranded at the bar

A **B** **C#** **D**
I spend so many nights tempting fate with this guitar but Iâ€™m coming home

A **E**
So pray for Tucson, pray for me

F# **D**
Pray these roads lead home and wonâ€™t take us too far

A **E**
Pray for Tucson, pray for me

F# **D**
Pray these roads lead home and wonâ€™t take us too far

A **E**
Pray for Tucson, pray for me

F# **D**
Pray for Tucson,

I hope your faith is what will carry me

If there s something past those stars

Pray for me.
