

## Relationships

**Dave Mason**

# Relation Ships by Dave Mason

Great song and lyrics from Dave s album titled Dave Mason. Dave did it in F/Dm.

I can't even start to sing that high so I did it in C/Am...really easy to play as well.

(Verse 1)

C                    G(B Bass)                    Am  
If you live with lies each day

C                    G(B Bass)                    Am  
Eventually you ll fade away

C                    G(B Bass)                    Am  
Live with truth and you will stay

C                    G(B Bass)                    Am  
Within the laws of nature s way

C                    G(B Bass)                    Am  
Thoughts are much the same as deeds

C                    G(B Bass)                    Am  
Within them lies a growing seed

C                    G(B Bass)                    Am  
In a world of so much choice

C                    G(B Bass)                    Am  
Follow close your inner voice

( CHORUS )

**Dm** **C**  
 Something lost or something gained, donâ€™t you be afraid  
**Dm** **C**  
 Only you can make the moves, to bring about the change  
**Dm** **C**  
 Of all the Loves youâ€™ll ever have, only one remains  
**F** **G**  
 Turning your back on sorrowâ€¦  
**F** **G**  
 Wondering about tomorrowâ€¦  
**F** **G**  
 Hoping that you donâ€™t have to borrow â€¦  
**Dm**  
 Time

(Verse 2)

Would you like to sail away  
Relationships leave every day  
Some for money, some for love  
Something here for everyone  
There's no need to be denied

When your love is deep inside  
All is shown to you in time  
All your reasons underlined

(CHORUS)

(Repeat first verse)
