I saw a man on the side of the road

with a sign that read

til the light turned green...

I saw a bear on TV

and his friends were all drowning  
Am C G  
cause their homes were turning to water...

Am C G  
A strange, kinda sad, big old bear  
C Am  
surely would happily eat me  
G C G G/F#  
he d tear me to pieces that bear...

Chorus:

D G  
Wake up, sleepy head.  
Em A  
I think the suns a little brighter today  
D G Em A  
Smile and watch the icicles melt away and see the water rising...

Summers here to stay, and all those summer games will last forever
