

Old Dirt Hill Bring That Beat Back  
Dave Matthews Band

G C G D  
Ride my bike down the old dirt hill,

G C G D  
the first time without my training wheels.

G C G D  
The first time I kissed you I lost my legs,

G C G D  
Bring that beat back to me again.

Gm C G D  
scream and shout in loud all innocence

Gm C G D  
And the days when all we did would never end, (oh lord)

G C G D  
Smoking under the railroad bridge

G C G D  
I used to ride my bike down that old dirt hill

G C G D  
The first time I kissed you I lost my legs

G C G D  
Bring that beat back to me again

Gm C G D  
Scream and shout out loud all innocence (yeah)

Gm C G D  
and the days when all we did would never end---

G C G D  
Screaming down the old dirt hill,

G C G D  
Bring that beat back to me again (Ha!)
