

Old Dirt Hill Bring That Beat Back  
Dave Matthews Band

**G** **C** **G** **D**  
Ride my bike down the old dirt hill,

**G** **C** **G** **D**  
the first time without my training wheels.

**G** **C** **G** **D**  
The first time I kissed you I lost my legs,

**G** **C** **G** **D**  
Bring that beat back to me again.

**Gm** **C** **G** **D**  
scream and shout in loud all innocence

**Gm** **C** **G** **D**  
And the days when all we did would never end, (oh lord)

**G** **C** **G** **D**  
Smoking under the railroad bridge

**G** **C** **G** **D**  
I used to ride my bike down that old dirt hill

**G** **C** **G** **D**  
The first time I kissed you I lost my legs

**G** **C** **G** **D**  
Bring that beat back to me again

**Gm** **C** **G** **D**  
Scream and shout out loud all innocence (yeah)

**Gm** **C** **G** **D**  
and the days when all we did would never end---

**G** **C** **G** **D**  
Screaming down the old dirt hill,

**G** **C** **G** **D**  
Bring that beat back to me again (Ha!)
