Sometimes I feel like I m falling

**Bb C Dm**  
Fall back again (4x)

**Dm**  
Oh, life it seems a struggle between  
What we see and what we do

**C**  
Well I m not going to change my ways

**Dm**  
Just to please you or appease you

Oh, look at this a crowd, six billion proud  
Willing to punch it out

**C**  
Right, wrong, weak, strong

**Dm**  
Ashes to ashes all fall down  
Look around about this round  
About this merry-go-round and around

**C**  
Well if at all God s gaze upon us fall

**Dm**  
His widom mischievous grin, look at him

**Bb**  
Forget about the reasons and

**C Dm**  
The treasons we are seeking

**Bb**  
Forget about the notion that

**C Dm**  
Our emotions can be kept that day

**Bb**  
Forget about being guilty,

**C Dm**  
We are innocent instead

**Bb C Dm**  
For soon we will all find our lives swept away

(repete os acordes da primeira estrofe)

Oh Look at me in my fancy car

And my bank account  
Oh, how I wish I could take it all down  
Into my grave, God knows I d save and save  
Man, take a look again, take a look again,  
All the things I have collected  
Well in the end it all will ? absolut all,  
To one big nothing, one big nothing at all

**Bb**  
Forget about the reasons and  
**C** **Dm**  
The treasons we are seeking  
**Bb**  
Forget about the notion that  
**C** **Dm**  
Our emotions can be kept that day  
**Bb**  
Forget about being guilty,  
**C** **Dm**  
We are innocent instead  
**Bb** **C** **Dm**  
For soon we will all find our lives swept away

**A** **Bm**  
You seek up an emotion  
**G** **A**  
And our cup is overflowing  
**A** **Bm**  
You seek up an emotion,  
**G** **A**  
Sometimes your well is dry  
**A** **Bm**  
You seek up a big monster  
**G** **A**  
For him to fight your wars for you  
**A** **Bm** **G**  
But when he finds his way to you, the devil s not  
  
**A** **Bm** **G** **A** **C** **Dm**  
Going--ha, ha  
Say, oh say

(repete acordes da primeira estrofe)

Late at night the TV s hungry child  
Is belly swelled  
Well, for the price of a coke or a smoke  
I could keep alive those hungry eyes  
Man, take a look again, take a look again, take a look again  
Everyday things change or the basically  
You and me stay the same

**Bb**
