(Capo to your pitch)

Verse 1:

G **D**
I ll walk halfway around the world
Dsus D Am Am7 E
Just to sit down by your side
G **D**
And I would do most anything, girl
Dsus D Am Am7 E
To be the apple of your eye
G **D**
Well troubles, they may come and go
Dsus D Am Am7 E
But good times, they re the gold
G **D**
And if the road gets rocky, girl
Dsus D Am Am7 E
Just steady as we go

Verse 2:

Any place you wanna go
Know I ll be next to you
If it s treasure, baby, you re looking for
I ll search the whole world through
I know troubles, they may come and go
But good times, they re the gold
So if the road gets rocky, girl
Just steady as we go

Chorus:

F **C** **G** **E** **C**
When the storm comes down you shelter me
F **C** **G** **E** **C**
When I don t say a word and you know exactly what i mean
F **C** **G** **E** **C**
In the darkest times, oh, you shine on me
F **C** **G**
You set me free
Dsus D Am Am7 E
and keep me steady as we go

Verse 3:

So if your heart wrings dry, my love
I will fill your cup
And if your load gets heavy, girl
I will lift you up
Well troubles, they may come and go
But good times be the gold
So if the road gets rocky, girl
Just steady as we go
