

Dont Cry Darlin  
David Allan Coe

**E** **G#m**  
Drunk. Totally Drained.

**E** **A**  
On the verge of going crazy, on the edge of insane  
**Am** **E** **C#m**  
I know you prayed I d make it, But I never pulled through  
**F#m** **B7**  
I gave up on going on just like I gave up on you

{chorus} **A** **E**  
But don t you cry darlin , though it s a cryin shame  
**B7** **E** **E7**  
I was hooked on the whiskey so bad I didn t know my name when I died  
**A** **E** **C#m**  
Don t cry Darlin , you know it s not your fault  
**E** **A** **B7** **E**  
I was stealing time from the devil and I just got caught

(spoken) **E** **G#m**  
(you know hon, David left you so long ago.)  
**E** **A**  
(He didn t want to darling, but his dying words told you so)  
**Am** **E**  
(That strong stuff was always his weakness but any man can be a fool)  
**F#m**  
(I know that he was so ashamed and sorry)  
**B7**  
for all the bad things he did to you

(CHORUS X2)
