Him and that kmart tire iron stand about ten foot six.
E **A**
He kick alot of tire,kick alot on ass put a lot of miles on the road.
B7 **E**
little brother trucker ain t never been whipped, so the story goes.

E **A**
late one night on seventy five he had to take a piss.
B7 **E**
He rolled his rig in a pickle park and the story goes like this
E **A**
Got down from the cab someone made a grab right between his knees.
B7 **E**
Tried to rip the riches from the crotch of his britches Was a big old freeway queen

E **A**
little brother truck is mean and he don t take no shit!
B7 **E**
But the queen had a hold of the family gold and would t let go of it.
E **A**
The big queen said i m gonna give ya head and you d better not struggle or fight.
B7 **E**
Or i ll bend ya over and pull you up like rover and will be here all night.

E **A**
Little brother is a mean motherfucker and he don t take on shit!
B7 **E**
Grabbed the queen by the nut put a boot in guts and gave a great big rip.
E **A**
The queen let go and brother kicked him low layed that bar in his head.

B7

E

When i left the scene that freeway queen looked almost dead.
