Additional Lyrics:

Please come to Denver where the snow falls  
We ll move up into the mountains so high that we can t be found  
Through "I love you" echoes down the canyon  
And we ll lie awake at night til they come back around

Please come to L.A., we ll live forever  
The California life alone is just too hard to bear  
We ll live in a house that looks out over the ocean  
And we ll see stars fall from the sky, livin up on the hill
