Em F#/Asus4 G D A G A (F#/Asus4 - 2Ã-2200)

Chorus:
Bm G D A (3x) E G A

Bridge:
Em G D A
Em G Aâ€|..

It never crossed my mind at all
Thatâ€™s what I tell myself
What we had is come and gone
You better offer someone else
It is for the best
I know it is
But I see you

Sometimes I try to hide
What I feel inside
And I turn around
Youâ€™re with him now
I just canâ€™t figure it out

Tell me why
Youâ€™re so hard to forget
Donâ€™t remind me
Iâ€™m not over it
Tell me why
I canâ€™t seem to face the truth
Iâ€™m just a little too not over you

Memories suppose to fade
Whatâ€™s wrong with my heart
Shake it off let it go
Didnâ€™t think it would be this hard
Should be strong, moving on
But I see you

Sometimes I try to hide
What I feel inside
And I turn around
Youâ€™re with him now
I just canâ€™t figure it out

Tell me why
Youâ€™re so hard to forget
Donâ€™t remind me
Iâ€™m not over it
Tell me why
I canâ€™t seem to face the truth
Iâ€™m just a little too not over you

Maybe I regret
Everything I said
And thereâ€™s no way
To take it all back
Yeah
Now Iâ€™m on my own
I won't let you go
Iâ€™ll never understand
Iâ€™ll never understand
Yeah, ohhh.

Tell me why
Youâ€™re so hard to forget
Donâ€™t remind me
Iâ€™m not over it
Tell me why
I canâ€™t seem to face the truth
Iâ€™m just a little too not over you

Tell me why
Youâ€™re so hard to forget
Donâ€™t remind me
Iâ€™m not over it
Tell me why
I canâ€™t seem to face the truth
And I really donâ€™t know what to do
Iâ€™m just a little too not over you

Not over you, ooh.
