

Here we are lying here

Em G
It's our last final goodnight
D A
Just because it feels so good
Em G
No use pretending we're alright
D A
Too many locks, too many crimes
Em G
Too many tears, too many lies
D Em
Too many barriers
A
Ohhh

D
Just too many barriers

A - Em - G

verse 2:

D A Em
Now we've been draggin' this whole thing out
G D
But I can't wait any longer
A Em
Our love's burning down, Creepin' in the doubt
G D
We're not getting any stronger
A Em
I hear you say that we're doin' OK
G
But, baby, I don't think so
D A
Just can't do nothin', gotta do something
Em
Cause if I don't get into my car
G D
I won't go very far.

Repeat pre-chorus

Repeat chorus
