D G
I know you don t wanna say goodbye yet,
C D
But she can t survive here with just a petal
G
You still have one wish but it d be useless,
C D
More than roses have died in this desert.
G
Child, it seems that younger and younger,
C D
They start to wipe your minds clean.
G
But how, I wonder, just barely under,
C D
Do your eyes continue sparkling?

(CHORUS)

Am C D
And I-I never want to open up your eyes, everything s broken.
Am C D
And I-I never want to open up your heart, everything s broken.

D G
I don t understand why they are gone,
C D
Or what reason there is to be strong.
G
I still try to love but I m in a place where
C D
Doing what s right is so wrong.
G
But if you see me ignore the gun,
C D
We are still fighting for life.

G **C**
Here s our wish just to exist
D
In more than our eyes.

Am **C** **D**
And I-I never want to open up your eyes, everything s broken.
Am **C** **D**
And I-I never want to open up your heart, everything s broken.

Am
Do you see what I see? Do you feel what I feel?
C **D**
It doesn t matter until we see broken lives heal
Am
Do you see what I see? Do you feel what I feel?
C **D**
It doesn t matter until we see broken lives heal

Am **C** **D** **D** **Am**
Oh.....oh.....oh.....oh.....oh.....oh.....

Am **C** **D**
And I-I found it hard to open up my mouth, will they hear what s spoken?
Am **C** **D**
But I-I saw when I opened up my eyes, invisible children.

Am **C** **D**
Broke, but not broken.
Am **C** **D**
Broke, but not broken.
