E A
I know you don t wanna say goodbye yet,
D E
But she can t survive here with just a petal
A
You still have one wish but it d be useless,
D E
More than roses have died in this desert.
A
Child, it seems that younger and younger,
D E
They start to wipe your minds clean.
A
But how, I wonder, just barely under,
D E
Do your eyes continue sparkling?

(CHORUS)
Bm D E
And I-I never want to open up your eyes, everything s broken.
Bm D E
And I-I never want to open up your heart, everything s broken.

E A
I don t understand why they are gone,
D E
Or what reason there is to be strong.
A
I still try to love but I m in a place where
D E
Doing what s right is so wrong.
A
But if you see me ignore the gun,
D E
We are still fighting for life.

A **D**
Here s our wish just to exist

E
In more than our eyes.

Bm **D** **E**
And I-I never want to open up your eyes, everything s broken.

Bm **D** **E**
And I-I never want to open up your heart, everything s broken.

Bm
Do you see what I see? Do you feel what I feel?

D **E**
It doesn t matter until we see broken lives heal

Bm
Do you see what I see? Do you feel what I feel?

D **E**
It doesn t matter until we see broken lives heal

Bm **D** **E** **E** **Bm**
Oh.....oh.....oh.....oh.....oh.....oh.....

Bm **D** **E**
And I-I found it hard to open up my mouth, will they hear what s spoken?

Bm **D** **E**
But I-I saw when I opened up my eyes, invisible children.

Bm **D** **E**
Broke, but not broken.

Bm **D** **E**
Broke, but not broken.
