Don t Run Away - David Archuleta

Intro
C#m E A

```
        C#m                    E
When something s wrong
          B
And too much to handle
        A                 A
Try to find some peace of mind
    C#m
Let it go.
        C#m                      E
Wait a minute, you know this road
                  E             B
It s gonna leave you on overload
  A
Yeah..
```

Pre Chorus :
```
    F#m               B
Cause somebody cares, yeah
```

Chorus :
```
                    E
I can see you hurting (turn around)
      B
I will be right there
      C#m           A
Don t run away (x3)
        E
When I reach out to you, look around
        B
I will be right here
    C#m             B
Don t run away (x3)
   C#m        E
Tonight, tonight
  A
Hmm..
```

```
  C#m               E
Don t make a sound
```

```
          B
I ll be your voice
        A                 A
You don t need to be afraid
    C#m
Anymore
      C#m                 E
I ll shine a light out in the dark
    E                             B
Guide you here no matter how far
       A
Ooooohhh, yeah

Pre Chorus :
    F#m                   B
Cause somebody cares, oh yeah

Chorus :
                  E
I can see you hurting (turn around)
      B
I will be right there
      C#m             A
Don t run away (x3)
         E
When I reach out to you, look around
         B
I will be right here
    C#m             B
Don t run away (x3)

Bridge :
    A
Open up
    F#m               B
Let it all out tonight, yeah
      A
Open up
    F#m                 B
And everything will be alright

Chorus :
                  E
I can see you hurting (turn around)
      B
I will be right there
       C#m           A
Don t run away (x3)
         E
```

```
When I reach out to you, look around
         B
I will be right here
    C#m              B
Don t run away (x3)

E B C#m A
E B C#m A

   C#m          E
Tonight, Tonight
```
