

Everything And More
David Archuleta

hey guys this is my first tab. hope it is useful :)

Capo 1

G

You see a storm heading our way

Em

You know the cold can make things delay,

D

C

up here it can't do any harm.

G

The cracks show in the concrete jungle

Em

Tear apart the weakest of hearts,

D

C

up here you'll be safe in my arms. Oh.

Em

G

I know that you're feeling like we're only dreaming

C

D

Well don't look down 'cause this is real.

G

Like a satellite we're flying

D

Em

Overhead where we see it all.

C

Nothing can touch us, we're everything and more.

G

There's no turning back from this point.

D

Em

Reaching heights like never before.

C

G

Nothing can touch us, we're everything, we're everything and more.

G

Em

Let's try holding each other, found a love to last forever.

D

C

Up here gives you wings to stay strong, ooh.

G

The air is pure that we're breathing.

Em

D

C

We're something to believe in, 'cause I feel it's where we both belong.

Em

G

I know that you're feeling like we're only dreaming

C

D

Well donâ€™t look down â€™cause this is real.

G

Like a satellite weâ€™re flying

D

Em

Overhead where we see it all.

C

Nothing can touch us, weâ€™re everything and more.

G

Thereâ€™s no turning back from this point.

D

Em

Reaching heights like never before.

C

Em

Nothing can touch us, weâ€™re everything, weâ€™re everything and more.

G

C

Trust me this is worth not falling back to Earth.

D

Everything and more is up here.

G

Like a satellite weâ€™re flying

D

Em

Overhead where we see it all.

C

Nothing can touch us, weâ€™re everything and more.

G

Thereâ€™s no turning back from this point.

D

Em

Reaching heights like never before.

C

Nothing can touch us, weâ€™re everything and more.

Em

C

Nothing can touch us, weâ€™re everything, weâ€™re everything and more.
Weâ€™re everything and more, hey.
