My Kind Of Perfect
David Archuleta

I did this one by ear; it doesn t match the song on his album exactly, but it s
pretty
close & sounded good to me. There s always room for improvement though, so if
you find
anything wrong, just let me know! Also, I wasn t sure if there s an intro for
this song,
but just to be on the safe side it is:
D, **A**, 2x
Really simple. :) Enjoy! :)

D   **A**
I was thinkin about ya
D   **A**
I drew a little picture
D   **A**   **Em**   **G**
But some things you can t put on paper
D   **A**
Like ya like shooting stars
D   **A**
Or write songs on guitar
D   **A**   **Em**   **G**
Got more things to do than stare at a mirror

Em   **G**
And I know, I know,
              A   **Em**
She s gotta be out there, out there
Em,   **A**
I know, I know, she s gotta be

D   **A**   **Em**
Maybe I m wrong maybe I m right
G
Maybe I ll just let you walk by
D   **A**   **Em**   **G**
What can I say, maybe I ve known you all my life
D   **A**   **Em**
Is she the one, is it today
              G   **Em**
Will I turn the corner, see my future
                  A
In a beautiful face

Maybe

(Play Intro)

(Continue the D, A, pattern from the first verse)
She s anything but typical
A sweet suprise
No matter what she s looking at the brightside
It s gonna be worth it
Cos that s what love it s
I ll keep searching for my kind of perfect!
