But if I was a book, you d be every word eh, eh eh eh eh eh eh.

Chorus:

C **Am** **C**
Twenty-five hours everyday, I got nothing else better to do

Then watching the smile light your face.

C **Am** **G** **C**
An island of green and blueberry ice, wish we were there.
Am **G** **C**
But you make me feel I m in paradise, anywhere.
Am **C** **Am** **F**
If I was a song, you would make me sing eh, eh eh eh eh eh eh eh eh.

C **Am** **C**
Twenty-five hours everyday, I got nothing else better to do

Then watching the smile light your face.

All that we need is a starlit sky and you and me.
C **Am** **F** **C**
Oh oh oh oh oh it's true, there's nothing else better.

Am
You're velvet on a red cupcake, sound a cello and a violin make.
G **G** **C**
Oh oh oh, oh oh oh.
Am
You put the rings around the moon, and every single time I'm close to you
G **C**
Oh oh oh, eh eh eh.
C **Am** **C**
Twenty-five hours everyday, eh eh.
Am
Watching the smile light your face, yeah yeah.

Chorus:

C **Am** **C**
Twenty-five hours everyday, I got nothing else better to do
Am
Then watching the smile light your face.
C
It doesn't get better than you.
F **C**
All that we need is a starlit sky and you and me.
C **Am** **C** **Am**
Oh oh oh oh oh it's true, I got nothing else better to do.

Eh eh eh eh eh eh.
C **Am**
I got nothing else better to do.

There's nothing else better, better, better to do.
