

Waiting For Yesterday David Archuleta

This is my first tab and it s not perfect, but it sounds pretty close to me. If you play it while listening to the song it sounds pretty much the same but there are some parts I m not sure about. It s one of my favorite songs by David Archuleta and I hope you have fun playing it!

Notes: I don t know what the G* chord is called so I just called it G*, I don t know if that is right though. Also, the chords change pretty fast so if you re having trouble it s easier to play the whole song with just quick down strums instead of with a strumming pattern. :)

Intro: **Em7 Cadd9 G* Em7 Cadd9 G Em7 Cadd9 G***

| | | |
|--------------------------------------------------------|--------------|-------------|
| Em7 | Cadd9 | G* |
| You and me, all alone girl | | |
| Em7 | Cadd9 | G |
| Whata€™s going on? Wona€™t you tell me whata€™s wrong? | | |
| Em7 | Cadd9 | G* |
| Ita€™s like youa€™re locked up in your own world | | |
| Em7 | Cadd9 | D/F# |
| Oh, with nothinâ€™ to say | | |

| | | |
|-------------------------------------------------|--------------|-------------|
| Em7 | Cadd9 | G* |
| You keep me guessing, but ita€™s in your eyes | | |
| Em7 | Cadd9 | G |
| He made you promises, but gave you lies | | |
| Em7 | Cadd9 | G* |
| Youa€™re shutting down because youa€™re so sure | | |
| Em7 | Cadd9 | D/F# |
| That Iâ€™ll be another mistake | | |

Chorus:

Em7 Cadd9 G*
I know that he left you in pieces
Em7 Cadd9 G Em7
You know that I won't be that way
Cadd9 G*
I'm not gonna treat you like he did
Em7 Cadd9 D/F#
Oh, whatever it takes
Em7 Cadd9 G*
You think history is repeated
Em7 Cadd9 G Em7
You keep on pushing me away
Cadd9 G* Em7
Oh, but nothing's gonna change
D/F# Em7 Cadd9 G*
Waiting for yesterday ay ay
Em7 Cadd9 G
Day ay ay
Em7 Cadd9 G*
Day ay ay

Em7 Cadd9 G*
Is it worth it any longer?
Em7 Cadd9 G
So scared of falling again
Em7 Cadd9 G*
But yesterday can make it stronger
Em7 Cadd9 D/F#
So why do you feel alone?
Em7 Cadd9 G
You know I love you better than he ever did
Em7 Cadd9 G*
And this could be, all you ever needed
Em7 Cadd9 G
Hold onto me and just remember
Em7 Cadd9 D/F#
Oh, no, never let go

Chorus:

Em7 Cadd9 G*
I know that he left you in pieces
Em7 Cadd9 G Em7
You know that I won't be that way
Cadd9 G*
I'm not gonna treat you like he did
Em7 Cadd9 D/F#
Oh, whatever it takes
Em7 Cadd9 G*
You think history is repeated
Em7 Cadd9 G Em7
You keep on pushing me away
Cadd9 G* Em7

Oh, but nothing's gonna change

D/F# **Em7**
