Been two hours in a taxi cab

I m just driving around, and I m running a tab.

**C**

But it doesn t really matter, no I m not getting mad.

**C**

**F**

It s okay cause I know where I m going.

**C**

Out the window everybody s on the phone.

**Am**

All the lights are on, and they re all in the zone.

Gotta take a step back from my new ringtone

**C**

**C**

**F**

Days like these, it s hard to breathe.

Chorus:

**C**

I m gonna take this moment that I m in right now,

**G**

Stop the craziness somehow.

**Am**

**F**

Leave it all behind me, and no one s gonna find me.

**C**

I got nothing to win and I got nothing to lose.

**G**

Just trying to walk in my own two shoes.

**Am**

**F**

Gotta take the time now, it s time for me to find out who I am.

**Am**

**C**

Oh oh oh oh, oh oh oh oh oh.

**F**

Oh oh oh oh, who I am.

Windshield looks like a movie screen,

And the world outside is a big machine,

And it moves so fast I can barely think.

That s okay cause I know what I m doing.
