And I know you're just trying to help me out

C. F      G  
Thanks, but I'll follow my heart instead

Am I gonna stay, oh no

Am I gonna leave, I don't think so

I can't decide between the left side or the right

Maybe it's a big mistake

But baby that's the chance that I'll take

Oh yeah

C.  
You say I don't know what I want  
G F  
But it worked out just fine  
C.

You can say anything you want  
G F  
But it worked out just fine  
C D  
If it works for me  
F C  
Then it works for me

There were days when a song could

**F.**

**C...**

There were days when my voice would make no sound for me, for me

**F.**

But I don't worry about it where I'm goin

**F.**

**D...**

Cause I know just where I'm wanna be

And it's time for you to see

**C.**

You say I don't know what I want

**G**

**F**

But it worked out just fine

**C.**

You said it never could be done

**G**

**F**

But it worked out just fine, oh

**C.**

You can say anything you want

**G**

**F**

But it worked out just fine

**C**

**D**

If it works for me

**F**

**C**

Then it works for me

**C**

**D**

If it works for me

**F**

**C**

Then it works for me
