Intro: **Am F Am F**

Am

Tell me what you did to me,

F G

Just there beneath my feet.

Am Dm G

Didn't even notice we were miles above the ground.

Am

I'm not afraid of heights,

F G

We crashed into the sky,

Am Dm G

Didn't know that I could feel the way that I do now.

F C G

I'm not asking for an explanation,

F C G

All I know is that you take me away,

F G

And you show me how to fly.

Am C

Nothing brings me down,

F

When you're around.

G

It's like zero gravity.

Am C F

The world just disappears when you're here,

G

It's zero gravity.

Am

When things get messed up,

C

You lift my head up,

F Dm G

I get lost in the clouds.

Am C F

There's no sense of time with you and I,

G

It s zero gravity.

INSTRUMENTAL

Am F G

Am Dm G

Am

The edges fade away,

F G

Till there s no more shades of gray,

Am F G

You only have to whisper anything at all.

Am

You opened up my eyes,

F G

You turned my lows to highs,

Am F G

And that s the only way that I know how to fall.

F C G

Not gonna analyze and try to fight it,

F C G

Don t even care if it makes no sense at all,

F G

Cause with you I can fly.

Am C

Nothing brings me down,

F

When you re around.

G

It s like zero gravity.

Am C F

The world just disappears when you re here,

G

It s zero gravity.

Am

When things get messed up,

C

You lift my head up,

F Dm G

I get lost in the clouds.

Am C F

There s no sense of time with you and I,

G

It s zero gravity.

Dm

You make it

Am

So easy

G F

To just drift away

Dm

I can't

Am

Imagine

G **F**

Being without you Ohhhh

Am

Don't think about..

C

Don't think about..

F **G**

Don't think about..

Am

Don't think about..

C **F** **G**

Don't think about it

Am **C**

Nothing brings me down,
