**D** **A** **Em** **Bm**  
I am a man, I am self aware  
**D** **A**  
And everywhere I go  
**Em** **Bm**  
You re always right there with me

**D** **A**  
I flirted with you all my life  
**Em** **Bm**  
Even kissed you once or twice  
**D** **A** **Em**  
And to this day I swear it was nice but clearly  
**G**  
I was not ready

**D** **A**  
When you touched a friend of mine  
**Em** **Bm**  
I thought I would lose my mind  
**D** **A**  
But I found out with time that  
**Em** **G**  
Really, I was not ready

**D** **A** **Em** **Bm** **D** **A**  
Ohhhhhh death, ohhhhhh death, ohhhhhh death  
**Em** **G**  
Really, I m not ready

**D** **A**  
Oh death you enter me  
**Em** **Bm**  
You decimate those dear to me  
**D** **A**  
You tease me with your sweet relief  
**Em** **G**  
You re cruel and you are constant

**D** **A**  
When my mom was cancer sick

**Em**

She fought, but then succumbed to it

**D**

**A**

But you made her beg for it

**Em**

**G**

Lord Jesus, please I m ready

**D A**

**Em Bm**

Ohhhhhh death, ohhhhhh death, ohhhhhh death
