

Heavy Breather
David Bazan

I looked at David s fingers on his live You Tube video of this song.
Good tune, nice tele sound.
Gbar isn t a new kind of swimsuit but G barred at 3rd fret, or 334553.
Play around on Am to make it sound right.

HEAVY BREATHER

C

The walls of our house are thinner than paper

Em G C Am

The roof is a vapor that hangs in the air

C

And our wedding bed is made from the same stuff

Em G C (hold)

Our bodies are made of

Em(quick hit)

Chorus

C

Bm

If no heavy breath blew up these lungs

Gbar C

While dirt and wet spit hung a ghost in the air

D C D G

Weâ€™re still here

C

While kids and their friends make war (or warm?) by the fire

Em G C Am

Their old men retire to drink and do drugs

C

We long for the truth We argue about it

Em G C Am

But most of us doubt it will ever be found

C

Bm

So no heavy breath blew up these lungs

Gbar C

While dirt and wet spit hung a ghost in the air

D C Em

But weâ€™re still here

D G Am

Weâ€™re still hereâ€|
