Heavy Breather David Bazan

I looked at David s fingers on his live You Tube video of this song. Good tune, nice tele sound. Gbar isn t a new kind of swimsuit but G barred at 3rd fret, or 334553. Play around on Am to make it sound right. HEAVY BREATHER The walls of our house are thinner than paper G C The roof is a vapor that hangs in the air And our wedding bed is made from the same stuff C G (hold) Our bodies are made of Em(quick hit) Chorus BmIf no heavy breath blew up these lungs While dirt and wet spit hung a ghost in the air D G We're still here While kids and their friends make war (or warm?) by the fire Em G C Their old men retire to drink and do drugs We long for the truth We argue about it But most of us doubt it will ever be found C So no heavy breath blew up these lungs Gbar While dirt and wet spit hung a ghost in the air D C But we're still here G Am We're still here…
