David Bowie - Across The Universe

Verse 1:

D **F#m** | **D7**
Words are flowing out like endless rain into a paper cup

They slither wildly as they slip away across the universe

Pools of sorrow waves of joy are drifting through my opened mind
G **Gm** |[2/4] **Gm** | **D** | **D**
Possessing and caressing me

Nothingâ€™s gonna change my world, nothingâ€™s gonna change my world (repeat)

Images of broken light which dance before me

Like a million eyes they call me on and on and on across the universe

Thoughts meander like a restless wind inside a letterbox

They tumble blindly as they make their way across the universe

Inciting and inviting me

Limitless undying love which shines around me
