Baby Can Dance David Bowie

this one is fairly simple it starts with: intro В D |A |A this twice then those guitar parts: E chord then move it up one fret so you ll get : e-0 b-0 g-2 d-3 a-3 e-0this goes one for a while then the verse starts which is I m rolling down the ferris wheel no-one looks and no-one feels, but the baby can, the baby can Α The way I feel I m feeling you Α holding out and falling out, but the baby can, the baby can I m the jumping man I m the jumping man

Then you get the chorus which are the same as the intro sequence
