Still this pulsing night
A plague I call a heartbeat
Just be still with me
Ya wouldn`t believe what I`ve been thru

Instrumental part: **Cm F Bb Cm**

See these tears so blue
An ageless heart that can never mend
These tears can never dry
A judgement made can never bend

See these eyes so green
I can stare for a thousand years
Just be still with me
You wouldn't believe what I've been thru

You've been so long
Well it's been so long
And I've been putting out fire with gasoline
Putting out fire with gasoline
