G

She was born in a handbag

F

Love left on a doorstep

G

What she lacks is a backup

F

Nothing seems to make a dent

G

Gonna find her some money honey

F

Try to pay her rent

G

That s the kind of protection

F

everyone is shouting about

[CHORUS]

G

First thing she learns is

F

she s a citizen

G

Some things they turn out right

F

When you re under the USA

G

Something rings a bell

F

and it s all over

G

She s going out her way

F

Stealing for that one good rush

She could use a little money

F

She s hangin on his arms

G

like a cheap suit

C

Am

She s got no money, honey

F

G

She s on the other side

C

Am

Oh come on little baby

F

Late night, big town,

police, shake down
