

Heathen (the Rays)

David Bowie

Intro: (C# D#) C#

                  D#                  C#  
Steel on the skyline  
                  D#                  G#  
Sky made of glass  
                  Fm                  C#  
Made for a real world  
                  D#                  C#  
All things must pass  
          D#          F#  
Oo-o  
                  G#                  G#m  
Waiting for something  
                  Ddim                  F#  
Looking for someone  
                  Gdim                  G#  
Is there no reason?  
                  Fm                  C#  
Have I stared too long?  
          D#          C#          D#          F#  
Oo-o,                  Oo-o  
                  F#5-                  Fm          Bbm5-  
You say you ll leave me  
                  G#7+/D#                  Fm  
And when the sun is low  
                  C#                  D#  
And the rays high  
                  F#                  F#5-  
I can see it now  
                  Fm                  Bbm5-          C#  
I can feel it die  
          D#          C#                  D#  
Oo-o,                  Oo-o

Final: G# (6x)
